

Sharpen Your Safety Edge! (IA Renewal & AMT Awards Credit)

This seminar addresses two leading causes of maintenance related aircraft accidents! SHARPEN YOUR SAFETY EDGE features an increased awareness of risks associated with a failure to follow procedures and an analysis of accident and incident data to determine the maintenance involvement in landing gear failures.

Directions: From I-26 take the Asheville Airport exit, turn South, take the first entrance into the airport at the green "Learn to Fly Here" sign. Go straight to the yield sign, a right turn to the Odyssey Aviation FBO. 2nd floor conference room.

A message from the National FAASTeam Manager

Start FAASTeam CFI Workshops any time! Find Workshop #6 in SPANS.
